Kids see wonder in the mundane,
but only when they can see clearly.
**Around 1 in 5 young children
have a sight condition.***

Book a free kids' eye test[†] at **Specsavers**.

*Around 20% of under 10s experience sight conditions. Source: Royal College of Ophthalmologists report 2021. See [specsavers.co.uk/kidstests](https://www.specsavers.co.uk/kidstests).
[†]Under-16s entitled to NHS-funded eye test.
